Hotel Case Goods
from

This short presentation is intended to introduce you to the capability Rowan & Boden offers for the supply and installation of hotel case goods and soft furnishings for the hotel sector.

Our clients operate across the full spectrum of the hotel market and their requirements are often complex and demanding. Our team of CAD designers, specifiers, project managers and installers have many years experience in meeting their requirements and we're proud that we've developed an enviable reputation based on a combination of price and quality.

Whatever your own needs may be, we would be pleased to visit with you on a no-obligation basis to discuss your particular plans and prepare a scheme for your consideration. The following pages illustrate just what we have done in the past – from furniture to soft furnishings and sundry items, I believe we are fully capable of matching and even exceeding your expectations!
